

# Website Updates Intern

~ Learn to create and update websites ~

*The Darfur/Sudan Peace Network (DSPN) is a not-for-profit national coalition of organizations advocating for the Canadian government to play a greater role in ending the crisis in Darfur, Sudan.*

*Our operating model distributes responsibility and leadership among a dynamic and always evolving team. The success of the DSPN depends in large part on the hard work and enthusiasm of interns and coordinators who are often un-paid. New interns will have the opportunity to take on increasingly greater leadership and responsibility within the organization.*

The work of the Website Updates intern plays an essential part of the DSPN's daily operations. It is imperative that all members of our coalition and the general public be notified of any new developments in the Darfur crisis as soon as they occur so that action can be taken as quickly and effectively as possible.
