PETITION FOR CANADA TO DO MORE FOR PEACE IN DARFUR/SUDAN

Petition from sudan.peacenetwork.ca

Dear Prime Minister,

We the undersigned urge you to take immediate and meaningful action for peace in Darfur and in all of Sudan.
We ask that the government of Canada take the following actions :

- SUSTAIN AND INCREASE OUR DIPLOMATIC ENGAGEMENT WITH PEACE ISSUES IN DARFUR AND ALL OF SUDAN, INCLUDING OUR ENGAGEMENT WITH OTHER COUNTRIES THAT HAVE A ROLE IN SUPPORTING PEACE IN SUDAN
- PLEDGE INCREASED DIPLOMATIC, FINANCIAL, LOGISTICAL AND TRAINING SUPPORT TO THE UNITED NATIONS/AFRICAN UNION PEACE KEEPING MISSION IN DARFUR (UNAMID) AND THE UNITED NATIONS MISSION IN SUDAN (UNMIS) SO THEY CAN BE MORE FULLY EQUIPPED AND MORE CAPABLE OF PROTECTING CIVILIANS
- SUSTAIN AND INCREASE OUR HUMANITARIAN COMMITMENTS TO SUDAN AND ESPECIALLY TO THE DARFUR REGION

Now is a critical time in Sudan's history. Many people fear that there will be a return to complete civil war between north and south – unless more is done to address the ongoing crisis in Darfur and to reinforce the fragile peace between north and south. Canada has made some important contributions in the past, but we can do so much more. We urge you to take immediate and decisive action.

Sincerely,
